**Ice  
Salt  
De-icing**

**Halite**

Specifically sized and screened to enhance traction. It keeps walkways and driveways ice-free well below freezing. Safe for concrete and vegetation when used as recommended. **Melts down to -5 Fahrenheit**

49-50lb bags \$6.34 per bag

**EARLY BIRD SPECIAL - PICK UP BY 10/31/17 - 49-50lb bags \$4.99 a bag**  
Pick up Price Sale 11/1 - 12/31 49-50lb bags \$5.52 a bag

**Mag Pellets & Mag Flakes**

Causes less irritation and is less corrosive to metal surfaces compared to other traditional deicing salts. Mag is environmentally friendly which makes it safe for concrete, vegetation and pets. **Melts down to -25 Fahrenheit**

48-50lb bags Call for pricing

**EARLY BIRD SPECIAL - PICK UP BY 10/31/17 - 48-50lb bags \$12.99 a bag\***  
\*excludes Peladow

**Calcium Chloride Pellets**

White color, also gives off heat while dissolving which speeds up the melting process. Calcium is the safest salt for concrete and metal surfaces when used as directed and is also safe for use around animals, people and vegetation.

**Melts down to -25 Fahrenheit**  
48-50lb bags \$13.85 per bag
